### ***"Women & Spirit Exhibit" – coming to Sacramento – Jan 24 – Jun 3, 2012***

"WOMEN & SPIRIT: Catholic Sisters in America" is a traveling exhibit sponsored by the Leadership Conference of Women Religious (LCWR) in association with Cincinnati Museum Center. It reveals the mystery behind a small group of innovative American women who helped shape the nation's social and cultural landscape. Meet women who corresponded with President Thomas Jefferson, talked down bandits and roughnecks, lugged pianos into the wilderness, and provided the nation's first health insurance to Midwestern loggers. Discover sisters' courage during the Civil War, the Gold Rush, the San Francisco Earthquake, the Influenza Epidemic, the Civil Rights Movement, and Hurricane Katrina. (to learn more go to <http://womenandspirit.org/index.html>. Email Jan Dalske@ [jandalske@gmail.com](mailto:jandalske@gmail.com) if you would like to be a docent while the exhibit is in Sacramento.

Helena Anderson mentioned at our meeting that she's been a YLI member for 46 years! She must have joined when she was 10! She reiterated the importance of prayer that we heard about in June's message for January. By praying "we renew ourselves daily" she said. She also thanked us for the lovely flowers and scarf we gave her as tokens of our gratitude for the many miles and time she gives to be with all of us.

Marilynn Walter said her husband Don's foot still hurts to use but his doctors say he's doing well. She encouraged Marilyn Likes to "join in" and get to know her new sisters.
