President's Message

Dear Sisters,

I can really see a change in our meetings and even the time is a little shorter with the new Pilot Procedures. Please remember that everyone is welcome to attend the agenda meeting or you may call to request something to be added to the agenda. I want to thank all of you for working together on this. Also, I still have a need for Chair positions for Day of Recollection and Mary's Way of the Cross and a few others. If you would be interested in helping or chairing, please give me a call. So many of you have stepped up so quickly. Thank you again for helping to make this a great year for us and me.

In sisterly love,

Patti

Please offer to sell tickets after the masses on the weekends beginning in November. A sign up sheet will be at the October Meeting. Thank You! The Committee

Dear Sisters,

I did not think that you could create a better reception than you did last year, but I was wrong. I was so surprised and delighted when I walked into the room to see flowers and watering cans and gardening tools. They were a perfect backdrop. The special envelopes with seeds were a delightful touch. I cannot thank you enough for choosing this theme. It means a great deal to me.

The garden that is St. Isidore #235 is a special garden. Its roots are strong and the flowers beautiful. I see it in so many things that we do whether it is a fundraiser or a reception honoring someone. This time that someone is me. You all make me proud to be a member of the finest institute in District 7. Your willingness to share this journey with me gives me the strength and humbles me at the same time. Thank you to the committee who worked so hard and all of the members of the institute for stepping forward to make this a very special day.

June McJunkin, Grand First Vice President

Please pray for the men and women serving in the Armed Forces. Especially remember their families who may be separated from their loved ones due to official duty. Continue to pray for the family and friends of our YLI members and St. Isidore Parishioners.

We are using the Pilot Procedure, new this year, at our meetings. **New this year - Officers are to sign in when they come to the meeting. Any guests will sign in on the Guest list. If you want to put someone on the sick list there will be a sign up list at the sign in table. The Sentinel oversees this process.** If you need to add or delete a person, you may call June McJunkin (Recording Secretary) to update the list. **Names stay on the list for three months.** A call to June will ensure continued listing for those needing our prayers.

Happy Birthday to our October Sisters

Tips For Shorter Meetings:

3. Give all bills to the treasurer before the meeting so that they can all be presented at once.
4. Pay attention - don't be talking to your neighbor repeating information takes time.
5. Sit near the front if you have a report to make.
6. Address all remarks to the chair - don't talk to someone across the room.
7. Make motions - start with "I move..."
8. Be the first to speak to a motion which you have just made.
9. Discuss motions - If you have an opinion express it.
10. Speak loudly enough so that the Chair will not have to repeat your words.
11. Discuss only the immediately impending motion - don't introduce other topics.

Stay tuned for more tips!
