**PASTORAL COUNCIL  
REPORT TO THE PARISH  
JULY 23,2008**

The function of the pastoral council is to study and offer recommendations to the pastor on issues concerning the pastoral life of the parish.

Parish Registers and Records file contains Parish Pastoral Council Minutes. (Item # 61 Diocesan Guidelines)

The PC meets every month at a date set by the pastor. The council will not meet in July and August.

Since the arrival of Fr. Francisco we have met every month and we are here presenting you with our actions on behalf of the parish.

- 1..We reviewed the pastoral plan and changed the liturgy initiative to include the Eucharist and Sacraments, the idea being Fr. Martin's who explained that the Eucharist is the central Part of the liturgy.
- 2.. In response to your request we have increased the size of the bulletin. We also now present it to you at the end of mass so you may take it home to view coming events.
- 3.. Notice also: we responded to your request for more religious education. Fr Francisco has a weekly column which you can take home and review at your leisure. You can also go the the welcome page on St.Isidore's website and look for "From the desk of Fr. Francisco and from the desk of Fr. Martin for more religious education.
- 4.. After contacting the Redemptorists in Chicago Fr. Francisco has arranged for two Missions early next year. The dates have

already been set and you will soon be asked to take an active part to insure it's success.

- 5.. The schedule of the parish activities is now posted monthly on the bulletin board in the vestibule.
- 6.. Children's Flyers.... Fr is considering the possibility of offering them once again.
- 7.. We will be asking for volunteers to handle the advent books which will be ordered in August or September.
- 8.. We are on our way to having a youth ministry with the volunteering of David Bradley. You will soon be hearing more of this. If anyone has the resources it would be a great help to receive a donation. Contact the parish office if you are so inclined.

Lastly, if you would like to address the council you may do so by notifying the parish office. You will be given a date and will be first on the agenda and when you are finished you will be dismissed so the council can proceed with sensitive concerns of our pastor. If you would like to send a message please e-mail to [pastoralcouncil@stisidore-yubacity.org](mailto:pastoralcouncil@stisidore-yubacity.org)

Respectfully submitted,
