

Parish E-Mail List

St. Isidore would like to create a St. Isidore Group for receiving e-mails from the Rectory Office for very limited use. This list would be protected; it would NEVER be given out. The purpose is to give the Rectory (priests, office manager, secretary) another means of communication throughout our parish to remind parishioners of important events. It would NOT be used on a routine basis, in place of the bulletin, or with useless or trivial information. It would only be used when there is important information to share or reminders of special events. It will save money in paper, printing, time, and postage costs. Email is basically free with the monthly charge for the Internet Service Provider (ISP).

Would you take a moment to fill out the form giving only your name and your email address? Your privacy will be respected at all times.

1. Just fill out the information below,
2. then highlight and copy the information,
3. click on the webmaster email link,
4. then paste the highlighted information into the message body of the email,
5. then click on Send.

If you have never used email, it's a fabulous tool and helps people keep in touch. Try it...

Email Address Registration	
In order to improve communications within our parish, we are starting a St. Isidore Group email list. Please PRINT your name and email address clearly. Turn it in to the Parish Office or place it in the collection basket at Church. Your email will not be shared with any person or group; your privacy will be protected. It will be used for communication from the Rectory only.
