## WELCOME BACK

How exciting to have so many new faces here at St. Isidore School, welcome!

Here is a short explanation about the PARENT ENVELOPE.

Every 2 weeks the envelope will come home with the oldest student in your family.

Review the materials; complete any paperwork and RETURN with your student the next day.

Envelopes are re-used and a great way to keep all paperwork together.

As always, ask if you do not understand! Enjoy your first 2 weeks of school!
