CONSTRUCTION UPDATE:

Effective Wednesday, February 3rd we will NOT be able to continue down Clark Ave at the slough where the road becomes BUNCE. We will NOT be able to use the south driveway to enter in to the parking lot, please enter the driveway by the Post Office box which is the driveway the Church office uses and go around. Traffic will be open to north and south bound traffic north of the slough. Alternate routes through East Hillcrest Ave. will be available for families coming from Richland Road direction or Franklin Road would be another option. This will be in effect for the next 3 to 4 weeks. (see map on back side)
